¹ The warranty does not apply to software or services offered for, by, on, or through the Axon.com or Evidence.com websites. This warranty only applies to hardware.

² A product's estimated useful life or expiration date may not be the product's warranty expiration date.

The extended warranty runs from the date of receipt of the extended warranty through the balance of the 1-year limited warranty plus the term of the extended warranty measured after the expiration of the 1-year limited warranty. Purchaser may not buy more than one extended warranty for any one specific product. The extended warranty does not cover user-removable battery replacement, abuse, intentional or deliberate damage to the product, or force majeure during the extended warranty period.⁶ For customers who purchase an extended warranty Axon warrants it will repair or replace the Axon product, which fails to function for any reason not excluded by this warranty, during the extended warranty period with the same or like product, at Axon's option. Purchaser may not buy a new extended warranty for any replacement or repaired product which is replaced or repaired under the extended warranty.

Exclusions and Limitations

A replacement product will be new or like new and have the remaining warranty period of the original product or 90 days from the date of replacement or repair, whichever period is longer. When a product or part is exchanged, any replacement item becomes Purchaser's property and the replaced item becomes

Axon's property. After the warranty period, Axon may, at its sole option, repair or replace a Axon product for a fee.

This warranty does not apply and Axon will not be responsible for any loss, data loss, damage, or other liabilities arising from: (a) damage from failure to follow instructions relating to the product's use; (b) damage caused by use with non-Axon products or from the use of cartridges, batteries or other parts, components or accessories that are not manufactured or recommended by Axon; (c) damage caused by abuse, misuse, intentional or deliberate damage to the product, or force majeure; (d) damage to a product or part that has been repaired or modified by persons other than Axon authorized personnel or without the written permission of Axon; or (e) if any Axon serial number has been removed or defaced.

warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this warranty document.

The remedies provided for in the above warranty are expressly in lieu of any other liability Axon may have. Axon's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Axon product will not exceed the purchase price paid to Axon for the product. In no event will Axon be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if Axon has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in this warranty. Any repair to or replacement of any product under this warranty may result in a loss of programs or data.

Release

Purchaser agrees to release Axon from any and all liability arising out of the deployment, use, or misuse of the Axon product, including any claims for damages and personal injuries. Purchaser agrees to assume all risks of loss and all liability for any damages and personal injury which may result from the deployment, use, or misuse of the Axon product. made by a third party or by Purchaser for or on behalf of a third party.

Purchaser Responsibilities and Product Registration

Purchaser should update product software and/or firmware as they become available through Axon, as well as perform periodic data uploads to Evidence.com services or download/backup copies of the information, data, and/or video contained on the Axon product storage media to protect the contents and as a precaution against possible operational failures.

To register your Axon product, please go to www.axon.com/register. Registration of your product allows Axon to contact you with important product notifications and provides a record in case of product loss or theft. Registration is voluntary and failure to register will not diminish your limited warranty rights.

Warranty Repair Procedure

For warranty return and repair procedures, including troubleshooting guides, please go to Axon's websites www.axon.com/support or www.evidence.com, as indicated in the appropriate product user manual or quick start guide.

Failure to provide the required information for the returned product will delay the return of the repaired or replaced item. If Purchaser fails to provide the required information, including the RMA number, then Axon assumes no liability for loss of the returned product. Any Axon product that has not been paid for, when required, or for which the required information has not been provided during a period of 90 days after receipt of the Axon product by Axon is deemed abandoned and Axon may dispose of the Axon product without any liability, compensation, or further notification to Purchaser.

Before you deliver your product for warranty service, it is your responsibility to upload the data contained in the product to the Evidence.com services or download the product and keep a separate backup copy of the contents. During warranty service the contents of the

storage media will be deleted and reformatted. Axon is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the product services. The product will be returned to you configured as originally purchased, subject to applicable firmware updates. Recovery and reinstallation of software programs and user data are not covered under this warranty. *If you require attempted data recovery this must be specifically requested (and a fee may be required) or the contents of your product will be deleted and the storage media reformatted in the course of warranty service.*

TASER 60 Unlimited provides CEW hardware extended warranty coverage, CEW Products, and CEW accessories. The initial delivery, and each year thereafter, will also include 3 training cartridges. In the event the Agency is purchasing TASER 60 Unlimited for use with TASER CAM, the Agency will not receive the PPM or a substitute.

1. **Term.** The term start date is based upon the initial shipment date of the hardware covered under TASER 60 Unlimited (**Start Date**). The TASER 60 Unlimited term will end 5 years after the Start Date (**Term**).
2. **TASER 60 Unlimited Requirements.** In order to make a purchase under TASER 60 Unlimited, the Agency must purchase the TASER 60 Unlimited plan for each TASER Conducted Electrical Weapon (**CEW**) user. A CEW user includes an officer that uses a Conducted Electrical Weapon (**CEW**) in the line of duty, as well as officers that only use a CEW for training purposes. The Agency may not resell cartridges or batteries received under the TASER 60 Unlimited Program. The Agency may only request additional PPMs and duty cartridges as PPMs and duty cartridges are consumed in the line of duty, which will be provided by Axon at no charge. Upon reasonable notice, Axon reserves the right to audit the Agency's use of force records if the Agency is ordering more cartridges or batteries than is customary compared to an Agency of similar size. In the event the audit determines the Agency's use of force records do not support the Agency's reported cartridge and battery use, the Agency will pay the MSRP of each cartridge and battery delivered to the Agency beyond what was supported by the Agency's use of force records.
3. **Payment Terms.** Axon invoices for the TASER 60 Unlimited plan on an annual basis. Agency will be invoiced upon the Start Date and then upon the anniversary of the Start Date for the remainder of the Term. Invoices are due to be paid within 30 days of the date of invoice.

Payment obligations are non-cancelable and fees paid are non-refundable and all amounts payable will be made without setoff, deduction, or withholding. For users added in the middle of any annual cycle, the Agency will pay a true-up fee for those additional users. These additional licenses will be co-termed with the Agency's existing licenses. Additional users that are added before the third year payment will receive a PPM, while additional users that are added after the third year payment will not receive a PPM.
4. **Taxes.** Unless the Agency provides a valid and correct tax exemption certificate applicable to the purchase and ship-to location, the Agency is responsible for sales and other taxes associated with the order.
5. **Shipping; Title; Risk of Loss; Rejection.** Axon reserves the right to make partial shipments and products may ship from multiple locations. All shipments are E.X.W. via common carrier and title and risk of loss pass to the Agency upon delivery to the common carrier by Axon. The Agency is responsible for all freight charges. Any loss or damage that occurs during shipment is the Agency's responsibility. Shipping dates are estimates only.

TASER Assurance Plan Appendix

The TASER Assurance Plan ("TAP") is an optional plan the Agency may purchase. If TAP is included on the Quote, this TAP Appendix applies. TAP may be purchased as a standalone plan. TAP provides hardware extended warranty coverage, Spare Products, and Upgrade Models at the end of the TAP Term. TAP only applies to the Axon Product listed in the Quote with the exception of any initial hardware or any software services offered for, by, or through the Evidence.com website. The Agency may not buy more than one TAP for any one covered Product.

- 1 **TAP Warranty Coverage.** TAP includes the extended warranty coverage described in the current hardware warranty. TAP warranty coverage starts at the end of the Hardware Limited Warranty term and continues as long as the Agency continues to pay the required annual fees for TAP.
- 2 **TAP Term.** TAP Term start date is based upon the shipment date of the hardware covered under TAP. If the shipment of the hardware occurred in the first half of the month, then the Term starts on the 1st of the following month. If the shipment of the hardware occurred in the second half of the month, then the Term starts on the 15th of the following month.
- 3 **SPARE Product.** Axon will provide a predetermined number of spare Products for those hardware items and accessories listed in the Quote (collectively the "Spare Products") to keep at the Agency location to replace broken or non-functioning units in order to improve the availability of the units to officers in the field. The Agency must return to Axon, through Axon's Return Merchandise Authorization (**RMA**) process, any broken or non-functioning units for which a Spare Product is utilized, and Axon will repair the non-functioning unit or replace with a replacement product. Axon warrants it will repair or replace the unit that fails to function for any reason not excluded by the TAP warranty coverage, during the TAP Term with the same product or a like product, at Axon's sole option. The Agency may not buy a new TAP for the replacement product or the Spare Product.
 - 3.1. Within 30 days of the end of the TAP Term, the Agency must return to Axon all Spare Products. The Agency will be invoiced for and is obligated to pay to Axon the MSRP then in effect for all Spare Products not returned to Axon. If all the Spare Products are returned to Axon, then Axon will refresh the allotted number of Spare Products with Upgrade Models if the Agency purchases a new TAP for the Upgrade Models.
- 4 **TAP Upgrade Models.** Any products replaced within the 6 months prior to the scheduled upgrade will be deemed the Upgrade Model. Thirty days after the Upgrade Models are received, the Agency must return the products to Axon or Axon will deactivate the serial numbers for the products received by the Agency. The Agency may buy a new TAP for any Upgraded Model.

TAP for CEWs is a 5 year term. Upgrade Models will be provided 5 years after the start of the TAP Term if the Agency made all TAP payments. For CEW Upgrade Models, Axon will upgrade Products, free of charge, with a new unit that is the same product or a like product, in the

same weapon class (**Upgrade Model**). For example: (a) if the Product is a single bay CEW, then Agency may choose any single bay CEW model as the Agency's Upgrade Model; (b) if the Product is a multibay CEW, then Agency may choose any multi-bay CEW model as the Upgrade Model; and (c) if the Covered Product is a TASER CAM recorder, then the Agency may choose any TASER CAM model as an Upgrade Model. To continue TAP coverage for the Upgrade Model, the Agency must elect TAP and will be invoiced for the first year payment at the time the upgrade is processed. The TAP payment amount will be the rate then in effect for TAP. Agency may elect to receive the Upgrade Model anytime in the 5th year of the TAP term as long as the final payment has been made.

- 5** **TAP Termination.** If an invoice for TAP is more than 30 days past due or the Agency defaults on its payments for the Evidence.com services then Axon may terminate TAP and all outstanding Product related TAPs. Axon will provide notification that TAP coverage is terminated. Once TAP coverage is terminated for any reason, then:

- 5.1.** TAP coverage will terminate as of the date of termination and no refunds will be given.
- 5.2.** Axon will not and has no obligation to provide the free Upgrade Models.
- 5.3.** The Agency will be invoiced for and are obligated to pay to Axon the MSRP then in effect for all Spare Products provided under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.
- 5.4.** The Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TAP.

5.5. Termination of TAP for CEWs

- 5.5.1.** If the Agency made two or more annual TAP payments, then the Agency will: retain the extended warranty coverage; receive a 50% credit for the difference between TAP payments paid prior to termination and the extended warranty price then in effect for each CEW covered under TAP; and have until the date listed on the termination notification to apply that credit toward the purchase of any Axon products. The credit amount available and expiration date of the credit will be provided as part of the termination notification.
- 5.5.2.** If the Agency made only one annual TAP payment, then the Agency may elect to pay the difference between the price for the extended warranty then in effect and the payments made under TAP to continue extended warranty coverage. This election must be made when written notice of cancellation is submitted by the Agency. If the Agency does not elect to continue with an extended warranty, then warranty coverage will terminate as of the date of cancellation/termination.
- 5.5.3.** If the Agency received a credit towards the first TAP payment as part of a trade-in promotion, then upon cancellation/termination the Agency will be assessed a \$100 cancellation fee for each Covered Product.

Unlimited Cartridge Plan Appendix

This Unlimited Cartridge Plan Appendix applies to the Agency's t under the Axon Unlimited Cartridge Plan (**UCP**). In the initial delivery, and each year thereafter, the Agency will receive 3 training cartridges. For the initial delivery of duty cartridges, X26 users will receive 2 duty cartridges, while X2 users will receive 3 duty cartridges. One PPM battery per user will be delivered to the Agency in Year 3 of this Agreement, unless otherwise requested. In the event the Agency is purchasing UCP for use with TASER CAM, the Agency will not receive the PPM or a substitute.

1. **UCP Term.** The UCP Term start date is based upon the ship date of the initial delivery (**Start Date**) The UCP Term will end 5 years after the Start Date (**Term**).
2. **UCP Requirements.** In order to make a purchase under the UCP, the Agency must purchase the UCP for each TASER Conducted Electrical Weapon (**CEW**) user. A CEW user includes an officer that uses a CEW in the line of duty, as well as officers that only use a CEW for training purposes. The Agency may not resell cartridges or batteries received under the UCP. The Agency may only request additional PPMs and duty cartridges as PPMs and duty cartridges are consumed in the line of duty. Upon reasonable notice, Axon reserves the right to audit the Agency's use of force records if the Agency is ordering more cartridges or batteries than is customary compared to an Agency of similar size. In the event the audit determines the Agency's use of force records do not support the Agency's reported cartridge and battery use, the Agency will pay the MSRP of each cartridge and battery delivered to the Agency beyond what was supported by the Agency's use of force records.
3. **Payment Terms.** Axon invoices for the UCP on an annual basis. Agency will be invoiced upon the Start Date and then upon the anniversary of the Start Date for the remainder of the Term. Invoices are due to be paid within 30 days of the date of invoice.
4. **UCP Termination.**
 - a. **By Either Party.** Either Party may terminate for cause upon 30 days advance notice to the other Party if there is any material default or breach of this Agreement by the other Party, unless the defaulting Party has cured the material default or breach within the 30-day notice period. In the event that the Agency terminates this Agreement under this Section and Axon fails to cure the material breach or default, Axon will issue a refund of any prepaid amounts on a prorated basis.
 - b. **By the Agency.** The Agency is obligated to pay the fees under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during the then current fiscal year. In the event that sufficient funds will not be appropriated or are not otherwise legally available to pay the fees required under this Agreement, this Agreement may be terminated by the Agency. The Agency agrees to deliver notice of termination under this Section at least 90 days prior to the end of the then current fiscal year. In the event the Agency terminates this Agreement after the Agency receives the PPM, the Agency will be invoiced and obligated to pay for the remainder of the MSRP for the PPM received before the termination date. In the case of termination for non-appropriations, Axon will not invoice the Agency if the Agency returns the PPM to Axon within 30 days of the date of termination.
 - c. **Effect of Termination.** Upon termination for any reason, Axon will discontinue shipments to the Agency on the effective date of termination.
